

## **COMPANY PROFILE**

We would like to introduce ourselves as one of the leading Pune based engineering company engaged in critical industrial application for filtration systems. 

Our organization is an ISO 9001-2008 company, dedicated in designing- development- manufacturing & supply of filters and filtration systems for wide range of application. We are in to this field since 2000.

The present product range of **SURAJ SANKALP ENTERPRISES includes filters for AIR, COMPRESSED AIR ,GAS , LIQUID SUCH AS WATER , HYDRAULIC OIL, LUBE OIL , TRANSFORMER OIL , ACID , ALCOHOL ,POLYMER ETC.**

The available filter media are s.s .wire mesh, non woven polypropylene , polyester, glass micro fiber, binder free borosilicate micro glass fiber etc. which will help you to filter up to 0.01 micron fineness .

We are specialized in the field of filter and filtration system for critical industrial application.

We are also expert in designing filters as per customers specification in any range of application (air, compressed air, gas , liquid and semi liquid etc.)

## **AREA OF APPLICATION**

POWER PLANTS

PETROCHEMICAL INDUSTRIES

OIL AND GAS INDUSTRIES

CEMENT INDUSTRIES

CHEMICAL INDUSTRIES

WATER PURIFICATION PLANT

## **CUSTOMERS**

**1. GASO ENERGY SYSTEMS ( I ) PVT. LTD.**

Supplied filters for high efficiency compressed air & gas application for the following different projects

RELIANCE INDUSTRIES (HAZIRA, PATAL GANGA)  
TISCO , GAIL , NALCO , IFCO , IOCL , HPCL

**2. NEUMEN & ESSER ENGINEERING ( I ) PVT. LTD.**

Supplied filters for high efficiency compressed air , gas , lube oil application for the following different projects

ISRO , RELIANCE INDUSTRIES , HPCL , IOCL , IOTL , TAIWAN

**3. FLASH POINT EQUIPMENTS PVT.LTD.**

Supplied filters for high efficiency LPG application for the different projects  
IOCL , BPCL , HPCL.

**4. G.M.CONSULTANT**

Supplied high efficiency particulate & coalescing application for the following different projects

RELIANCE INDUSTRIES (SILVASSA) ,  
WELLKNOWN SYNTHETICS , MODERN PETROCHEM (GUJRAT) ,  
BEKAYLON INDUSTRIES , GARDEN SILK , OPAL INDUSTRIES &  
BANGLADESH

**5. KIRLOSKAR PNEUMATIC COMPANY**

Supplied high efficiency coalescing discharge filter for L&T Limited and supplied to ONGC for OFF-SHORE application

**6. EAC ENGINEERS**

Supplied filters for high efficiency compressed air application for the following different projects .

PROJECT FOR INDONESIA, HINDALCO, RELIANCE INDUSTRIES

**7 . BAUER KOMPRESSOREN INDIA PVT. LTD**  
SUPPLYED FILTERS FOR HIGH EFFICIENCY BIO GAS FILTER

**8 . FILTERASSEMBLY SUPPLYED FOR LASER CUTTING MACHINE**  
APEX AUTO PVT. LTD.(JAMSHED PUR) , SIGMA HEAVY ENGINEERING INDUSTRIES  
BHOPAL LTD(BHOPAL) , ASL ENTERPRISES LTD (JAMSHED PUR), MULTIMETAL  
FUSION TECHNOLOGY PVT. LTD (U.P), HIGHCO ENGINEERS PVT. LTD(JAMSHED  
PUR) , BHILAI IRON & STEEL PROCESSING COMPANY PVT. LTD (CHATTISGARH),  
KSEC (U.P), METALMAN AUTO PVT. LTD (INDORE), ABC TECHNOLOGIES  
(GHAZIABAD), AGNI ENGINEERING (GUJRAT), J.D ENGINEERING WORKS  
(HOWRAH),SWASTIC ROTOMATIC (SOLAPUR),

And many other small scale and medium scale industries for critical application.
